ADAL grants the right to use the QUALIMARINE® mark for the entire duration of the certificate's validity in accordance with the conditions set out in the referential, and subject to compliance with the certification requirements.

The QUALIMARINE® certification program is available for consultation at www.adal-aluminium.fr. The QUALIMARINE® certification is recommended by standards NF P 24-351, NF DTU 33.1 and NF DTU 36.1, and meets the requirements of standard NF EN 12206- 1.

Date of Initial Certificate: 21/01/2021

Certificate Expiry Date: 31/12/2025

Issued in Paris, on December 17, 2024

Mélanie Grammaticopoulos
General Manager of ADAL

The certificate is nominative and cannot be transferred to a third party. Only ADAL, a COFRAC-accredited certification body, is authorized to distribute the QUALIMARINE® mark. Certificates may be suspended, modified or withdrawn at any time, in accordance with the conditions set out in the QUALIMARINE® certification referential. For proper use, the scope of certification and its validity should be verified on the ADAL website.
