

REACH and RoHS Compliance Declaration

According to EU Regulation (EC) 1907/2006 and RoHS Directives (2011/65/EU – RoHS II and 2015/863 – RoHS 3)

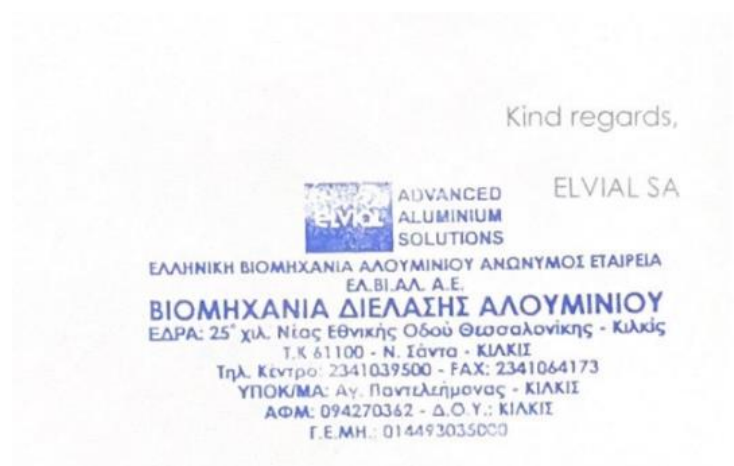

Dear Customer,

We hereby declare that ELVIAL's products comply with EU Regulation (EC) No. 1907/2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (**REACH**) and:

- ELVIAL S.A. does not manufacture 'substances' or 'preparations' but is a producer of 'articles'. ELVIAL S.A. falls under the downstream user category of chemical substances and as a result we have no pre-registration and registration obligation for the substances we use within the EU.
- With regard to the requirements of Article 33 of REACH we declare that **none** of the Candidate list of Substances of Very High Concern for Authorization is present in ELVIAL's products in concentration above 0.1% (by weight of the article).

We also declare that the Extrusion Ingots as well as Powder Coatings delivered to ELVIAL S.A. are **in compliance with RoHS III Directive** 2015/863/EU amendment of the **RoHS II Directive** 2011/65/EU.

As of the date of this compliance declaration, there are no chemical substances to report for any of ELVIAL's products. This certificate will be updated immediately upon confirmation of compliance to list changes. If no new declaration is submitted, the validity of what is stated in this document is considered to be in conformity.

Disclaimer: This declaration is not valid for customers who may choose a different chemical composition of an alloy (as lead is an alloying element). The information provided is based on our knowledge at this moment.
